ACTIVITY SHOWN IN
WASHINGTON MARKET

Although today's trading on the Washington Stock Exchange was very narrow, there was unusual activity manifested in the issues traded in, and sharp changes occurred in the price levels of the two principal stocks, Washington Railway and Electric preferred in good demand, and under the sale of 238 shares advanced from 82 1/2 to 83 1/2. The bid price was raised, full point from 82 to 83. Washington Gas, the other active stock in contrast, was proportionately weak. The first quotation list disposed of brought 79 1/2, or 1/2 of a point less than the last sale. The selling broker then quickly unloaded 110 shares at 78 and an additional quotation list returned the stock to 79 1/2. Little activity was shown on this scale-down selling, and the bid and asked figures were changed from 79 1/2 to 78 and 79 1/2, respectively. The only other sale recorded consisted of ten shares of Washington Loan and Trust Company stock at 82.

The Georgetown Gas Light Company has declared a dividend of \$1.25 per share, payable August 15 to stockholders of record July 31.

The regular quarterly dividend of 2 1/2 per cent, and an extra dividend of one-half of 1 per cent, was declared by the Washington Railway and Electric Company, payable on and after September 30 to shareholders of record at 1 p. m. on September 5.
